

IEB-EUDR Company Check

ASSESSMENT STATEMENT

Ingenieursbureau Evan Buytendijk B.V.
hereby declares that the company:

Felix Clercx B.V.
Maisdijk 5
5704 RM Helmond

has successfully passed the IEB-EUDR Company Check.
The IEB-EUDR Company Check applies to the period:
February 6, 2025 to February 5, 2026
het zorgplichtsysteem is getoetst aan de eisen van de
Europese Ontbossingsverordening (No. 2023/1115).

The due diligence system has been assessed against the requirements of the European Deforestation Regulation (No. 2023/1115).

The results of the EUDR Company Check show that, at the time of the inspection, no shortcomings were identified with respect to the requirements set by the European Deforestation Regulation.

*) The IEB-EUDR Company Check is a snapshot based on a sample of the company's due diligence system. During the check, the due diligence system, procurement administration/overview, information gathering and safeguarding processes, risk analysis, and the implemented risk mitigation measures are assessed. The check provides an indication of the status of the due diligence system but does not guarantee or replace a positive inspection outcome by the Competent Authority, nor does it serve as a certification system. New information or evolving insights may lead to different interpretations of today's results in the future.

Director

Evan Buytendijk

February 6, 2025

The annual EUDR company check by Ingenieursbureau Evan Buytendijk B.V. has been successfully completed. The due diligence system complies with the requirements.
